

Android versions of apps

Launch of Android versions

- Existing iPad apps have been very popular with consistently high download figures
- Responding to requests from the sector to also make these available in Android format. All future apps will be available in both Apple and Android versions.
- The apps run on the versions of Android from 3.0 (Honeycomb) to 6.0 (Marshmallow)
- All the apps can be downloaded free of charge from Google Play

Launch of Android versions

- All the apps now include the opportunity to apply for an open badge to enable learner to gain recognition for completing the app
- Descriptions of all the apps and the other learning resources available from SSSC can be found at:
- [Learn.sssc.uk.com](https://www.learn.sssc.uk.com)
